Christmas Party: There is a sign-up sheet on the side table for the Christmas party on Dec. 20th. Please sign up for a dish to pass. The students will still be practicing that evening, but we will have some special activities and treats as well.

Polish and Proud: Special thanks to all those who attended the Wawel Anniversary dance, it was a wonderful celebration of our Polish heritage. We are blessed to have Miss Donna who not only teaches our children, but leads the adult group as well. Congratulations Miss Donna!!!

Polish History: Christmas in Poland is "preceded by a period of four weeks during which fast is observed on Wednesdays, Fridays and Saturdays. Strict fast is observed throughout the day before Christmas, and in the evening, the Wilia supper is served. It is the most solemnly celebrated occasion and is so closely connected with family life, that members of the family who are away feel very deeply their absence from home.
